Mr. Treccia,

Attached is a copy of the $3,000,000.00 judgement I have against your son Daniel. I have never met Daniel, but my fear is that he has some type of mental illness that is causing his erratic and vindictive behavior.

Following the issue of the judges order Daniel continued to harass me with a series of vial and untrue allegations he continues to make public on twitter. He has defamed me, my attorney, court officers, the members of the local judiciary, and elected officials in Tennessee as well.

On Tuesday we will be applying for a bench warrant for Daniels arrest and extradition to Tennessee to face contempt of court charges.

Mr. Treccia, I am not a vindictive man and I have a son of my own. If there is some way this matter could eventually help Daniel through getting him the help that he needs I am willing to discuss the matter further.

Otherwise, Daniel is going to continue to exacerbate the already series problems he has created for himself.

I am willing to discuss this further.

With kindest personal regards,

I am,

Sincerely

Tim Pagliara
